

# K3 Pro Infrared Thermometer

## Advantages

- 0.1S**  
Quick Measurement
- ±0.2**  
High Accuracy
- Alarm Function**
- 3 Installation Methods**
- °C/°F**  
°C/°F Unit Available
- Data output**

## Technical Data

|                       |                                    |   |   |
|-----------------------|------------------------------------|---|---|
| Method of measurement | Sensitivity sensor distance sensor | Operating mode  | Surface mode /body mode / Count mode                            |
| Temperature Unit      | °C/°F                              | Surface temperature measurement range                 | 10--50°C  |
| Accuracy              | ±0.2 (34~45°C)                     | Range of Body Mode temperature                        | 35--42°C  |
| Measuring distance    | 5 ~ 10 cm                          | Environment temperature                               | 10--40°C  |
| Display               | 2.8-inch LCD screen                | Counting capacity                                     | 9999 times  |
| Install Method        | Nail hook/bracket fixing           | Record temperature data                               | Support to review 30 sets of data                               |
| Power supply          | USB /4 AA batteries                | Alarm Function  | Flash+sound alarm for about 10 seconds                          |
| Response time         | 0.5s                               | IO signal output                                      | Support(switch signal / pulse signal)                           |
| Working band          | 5um                                | Body storage <input checked="" type="checkbox"/>      | Connect to the computer <input checked="" type="checkbox"/>     |
| Standby time          | 30s                                | Volume setting <input checked="" type="checkbox"/>    | Voice broadcast <input checked="" type="checkbox"/>             |
| Product Size          | 170*115*140mm                      | Backlight switch <input checked="" type="checkbox"/>  | Standby <input checked="" type="checkbox"/>                     |
| Net weight            | 303g                               | Upper alarm limit <input checked="" type="checkbox"/> | Whether to support charging <input checked="" type="checkbox"/> |
